

Early Learning Village Preschool Tuition (2021-2022)

The Euclid Early Learning Village’s sliding tuition scale is based on the 2021 Federal Poverty Level Chart. The Department of Health & Human Services (HHS) issues poverty guidelines that are often referred to as the “federal poverty level” (FPL). Federally-facilitated marketplaces began using the 2021 guidelines when making calculations for the insurance of affordability programs starting February 1, 2021.

Regular education families with annual gross incomes in excess of 400% of the 2021 Federal Poverty Guidelines will be responsible for full tuition, \$1,600 annually.

Financial Assistance

We believe quality early childhood education should be affordable for all children. **If your household income is below 100% on this scale, there are many funding sources that can get your parent contribution down to \$0.** Verification of income is required for all tuition reductions.

How is tuition collected?

Tuition can be paid in one lump sum, or in 10 monthly payments (August-May), collected through the Infinite Campus Parent Portal. We encourage parents to set up their Infinite Campus Parent Portal Account immediately to check balances and credits.
