IMPORTANT INFINITE CAMPUS INFORMATION FOR THE 21-22 SCHOOL YEAR

Infinite Campus is a web-based program that allows teachers and school staff to have real time access to school and student information.

All **EMERGENCY INFORMATION** is available to staff in Infinite Campus. The **ANNUAL UPDATE** has replaced the paper emergency form. It is **required** that at least one parent or legal guardian who lives in the household with the student, fill out the Annual Update each school year.

- If you registered your child this school year, we ask that you still complete the Annual Update, even though your information is current.

You can obtain your Activation Code (1st time logging in) from your school secretary or counselor.

If you have forgotten your username or password, please click on forgot username or password. You can also email olrhelp@euclidschools.org to obtain your information.
