

Infinite Campus Parent Portal

If you have multiple students in the district, you can select which student to view.

Your name should be here. Make sure you are in your Parent Account, not the Student Account.

The screenshot shows the Infinite Campus Parent Portal interface. At the top left, the "Campus Portal" header includes a "SELECT A STUDENT" dropdown menu. To the right, a "Welcome" message is displayed, along with navigation icons for home, notifications (with a red badge showing "1"), and "Sign Out". The main content area is divided into sections: "Family" (Messages, Discussions, Calendar, Payments, To Do List) and "User Account" (Account Settings, Access Log, Notification Settings). A red box highlights the "Payments" link in the Family section. Below the navigation, a "District Announcements" section is highlighted with a red box, containing a message dated [09/08/2017] about an "Online Emergency Form" due Friday Sept. 22, 2017. Below this are sections for "School Announcements" (0 messages) and "Inbox" (2 messages). Three callout boxes provide additional information: one points to the "Payments" link, another points to the "Online Emergency Form" link in the User Account section, and a third points to the "District Announcements" message. The "Online Emergency Form" link is also highlighted with a red box.
